Big Bore Shoot A Big Hit!

The Second Annual Big Bore Rifle Shoot was held this past July 5th. Once again, Hubert von der Beeck organized a great event.

25 shooters provided the fireworks beginning with the running boar target. Moving rapidly across the range at 40 yards, shooters had just seconds to score points while the target mimicked a boar charging through a narrow shooting lane.

The "Charging Cape Buffalo" provided the next challenge. These were two stationary targets placed at different distances to imitate a buffalo on an intercept course with the hunter. Shooters were required to shoot the most distant target then switch to the closer target all under 10 seconds. As many shooters discovered, time evaporated quickly while working the bolt and trying to put bullets in the 10 Ring.

After the smoke cleared and guns were put away, everyone enjoyed bratwurst, beer and sore shoulders while comparing scores. This is a great event to shoot the Big Bores and share in some good-natured competition.

The next event promises to have a moving Cape Buffalo target to provide an even greater challenge. Many thanks go out to Hubert, Pete Traphagen and Jamie Mendoza for all their hard work.

Christmas Party & Trophy Room Tour

Our annual Christmas party will be combined with a Trophy Room Tour at the home of Jim and Kathy Hill, 12900 Camino Del Valle, Poway, CA 92064. Each attendee is asked to bring a new unwrapped toy for Christmas presents for the children of deployed Navy and Marine service men and women. Price \$25 if you make your reservation by 20 November 2009. After that date tickets will be \$30. This is going to be a blast. Jim has just added a significant number of new full mount trophies to his collection and the poolside setting for the dinner will be spectacular.
