I provide my clientele with the most hassle-free, professional and speedy dip and pack service in Africa today. I understand at a deep level the value of a hard-earned trophy and I work tirelessly to get the animal prepared to the highest standard and exported as fast as humanly possible. I do not wait until the end of the season to ship your trophies; as soon as they are dry the process starts.
Sincerely, Andy Hunter

The invisible gun case.

Those shiny metal gun cases virtually shout gun inside, steal me! The Tuffpak could be carrying golf clubs, photo equipment, displays, or any number of things much less desirable than your rifles. So travel with the case that protects, not shouts. You want your guns to be invisible. But not disappear.

The world's most versatile rifle (or bow, or shotgun, or boot, or sleeping bag, or...) case.
