"The purpose of the Safari Club Sables shall be to promote the conservation and educational programs of Safari Club International Foundation," so read the canons of Safari Club Sables. Founded in 1984, working as a division within Safari Club International and its chapters, the Safari Club Sables devotes its efforts to promoting four educational programs; the American Wilderness Leadership School (AWLS), Becoming an Outdoors-Woman (BOW) program, SCIF Sables Hunting Heritage Scholarships and Safari In A Box. Sables membership is open to people who support the rights of outdoor sportsmen and the goals of SCI, regardless of whether or not they are active hunters.
